

Anchors Away!

The Raingutter Regatta is Coming Oct 16!

The Raingutter regatta is a boat race in which the cub scouts build sailboats and then blow their sailboats to victory. It will be held October 16 from 6:30 to 8:00PM in the ACS gym.

Boat kits containing all of the pieces and detailed instructions are being handed out at the September pack meeting. Each scout can build and decorate their boat in any way they wish as long as they follow the guidelines given in the boat kit.

Races will first be among the ranks (Tigers, Wolves, Bears, Weebelos) and the the winner of each rank will race for the overall pack championship. (Due to time constraints, the races will be timed, not run in heats) Awards will be given for the following:

- 1st through 4th place in each rank
- 1st through 4th place in the pack (by time)
- best boat design
- best boat decoration

We will also have some great boat activities like tying nautical knots and trying your hand at windsurfing! So come prepared to race and have a great time!

We'll see you there!

Parents and den leaders: We will need some volunteers for various activities such as timers for the race, knot tying instructors, windsurf board managing and more. So please email Nathan West (nbwest@comcast.net) if you can help or if you have any questions!
