

More Fun Than a Boy Should Be Allowed to Have!

Cub Scout Pack 137, sponsored by Albuquerque Christian School, would like to cordially invite you to 2 very special summertime events:

“Space Station Akela”, 2007 Cub Scout Day Camp

Tuesday, June 5th through Friday,

Day Camp is an outdoor experience where Cub Scouts participate in individual and team sports, games, crafts, explore nature, and work on achievements, electives and activity badges.

The Cub Scout Day Camp is designed to teach skills and develop attitudes that make a boy more self-reliant and more at home in the outdoors. Some of the special activities will include Archery and BB-Gun shooting.

While it is not required to be a Cub Scout to attend the camp, your boy will probably not be able to resist the urge once he finishes camp!

Camping Out Under the Stars at Isotopes Park

Saturday, July 21st

The scouts will enjoy that night's Isotopes baseball game and then after the game, move out onto the field for a summer night camping extravaganza.

Warning: Your boy and his parent/adult chaperone may not get much sleep that night.
